IDC = Instructor Development Course and IE = Instructor Examination
 EFR = Emergency First Response with Care for Children Instructor
 MSDT prep= Master Scuba Diver Trainer preparation with Internship for 25 certifications
 IDC Staff = Instructor Development Course Staff Instructor (MSDT as prerequisite)
 AI = Assistant Instructor course
 OWSI = Open Water Scuba Instructor course

*For candidates who are already certified as PADI Divemaster prior to arriving on Utila for your IDC there have been changes to the curriculum, that from January 2010, now allow you to:

- 1) Study and pre-assess your dive theory online (saves hours of revision on Utila and 3 hours in class)

Continued on next page.....

- 2) Study 9 of the course presentations online which can be used to save time from the course and start 5 days later than our 'Live delivery' IDC with the start date on the Saturday evening at 5pm. The course will then end one week later on the Sunday (with EFR Instructor course) and then a day's fun diving on Monday prior to the IE on the Tuesday/Wednesday, allowing you to leave on the Thursday am flights. This takes just 13 days for the complete Instructor course, EFR Instructor and 2 day PADI Exams, and even less if you arrive on Utila already certified as a PADI Assistant Instructor.

There is an additional charge for this each of these options, that deliver convenience and value enhancement to the IDC, and this is paid to PADI. Please contact us for more information to register for this option.
